

- Open Source
- Model Reduction Software Toolbox
- Nonlinear Control Systems
- Combined State and Parameter Reduction
- Empirical Gramians

The screenshot shows the emgr website interface. At the top, it displays the logo 'emgr Empirical Gramian Framework' and the URL 'http://gramian.de'. Below the header, there is a search bar and a navigation menu. The main content area features a large character '約' (Yaku) on the left, a technical diagram of a control system, and a table of data. On the right side, there is a mathematical equation  $\text{tr}(CC^T) = \text{tr}(C^TC)$  and a QR code. The footer contains the text '© 2017 Himpe - Institut für Computational and Digital Mathematics'.
